

Sparkford Parish Council precept for 2025/26

Council Tax bills cover the cost of different public services – Somerset Council, Avon and Somerset Police, Devon and Somerset Fire and Rescue, Somerset Rivers Authority and the Parish Council. The Parish Council portion is spent solely on services and facilities directly related to Sparkford.

The new precept charge per Band D household is set at £69.02 per annum, this is an increase of £1.34 per month compared to last year.

The Parish Council precept is the portion of the Council Tax that allows the Council to maintain Parish Council owned land and facilities and to continue to enrich residents' lives and enhance the local area.

Funds have also been allocated to take into consideration the financial crisis declared by Somerset Council to protect essential services currently provided by Somerset Council should they be in danger.
